

INDOOR PS WALL PANEL

What is PS ?

- Strength and Durability**
Unlike timber, our boards retain their strength and durability throughout their life.
- No Rotting or Warping**
A unique material composition resistant to the damaging effects of moisture build-up.
- Eco-Friendly**
A long-lasting material composed of a blend of recycled plastic and wood fibers.
- No Splintering**
The material composition ensures long-term safety and assurance.
- 25 Year Residential Warranty**
High-quality, long-lasting products with a 25-year warranty.
- Very Low Maintenance**
All our boards are hard-wearing and easy to maintain.
